ebi Portfolios has been named 'Best Technology – Front End' at the prestigious Institutional Asset Manager Service Provider Awards 2025. ebi's Tom Ranft and Rachel Wilmshurst attended the awards ceremony at the Royal Yacht club in Knightsbridge London on 4th December to accept the award on behalf of the business.

The Institutional Asset Manager Service Provider Awards reward those firms offering exceptional support to institutional asset managers, spanning technology, legal, PR, data and research sector.

Winners are nominated and voted for by industry participants.

This win rounds off a fantastic year for ebi in which it has won multiple awards and gone from strength to strength.

Last month ebi won two accolades at the 2025 Financial Adviser Service Awards 2025, and earlier this year the firm won trophies at the Citywire Adviser Choice, the Money Marketing Awards, and the Investment Week Sustainable Investment Awards.

"What an incredible win for ebi in what has been a fantastic year for our business. It's heartening to see that advisers and fund houses really like what we're doing here at ebi and are voting for us in so many industry awards," said Harry Hitchcock, Chief Operating Officer at ebi. "We won't rest on our laurels though – we have ambitious plans for 2026 and we're looking forward to the future as a fast-growing and dynamic firm."
